Dear Brothers and Sisters!

Salaam Alaikum!

This booklet will help us learn the names of the Ahlul Kisa (Panjatan) who are the most important people in the faith of Islam and make up those whom Allah has protected and purified from all sins and mistakes.

With the help of your mom and dad or teacher, you will also get a chance to learn a little about each of these great people and how they have helped us to be better human beings and Muslims!

We will also learn the 12 months of the Islamic/Lunar calendar. It is important for us to know these months as many important events have taken place within them.

As you go through each page at home or in class, be sure to learn the information on each page and when you are done learning, spend some time to color in the words on each page!

Use your imagination and using different colored crayons or pencil crayons, carefully color in each letter – but be sure to also learn what is on each page!
