Dear Brothers and Sisters!

Salaam Alaikum!

This booklet will help us learn some of the important prayers and sayings that you and I use on a daily basis as Muslims.

The second part of this booklet will help us learn the Arabic alphabet - and at the same time, we get to have some fun in coloring the letters!

Each page features four letters of the Arabic alphabet!

Use your imagination and using different colored crayons or pencil crayons, carefully color in each letter – but be sure to also learn the Arabic letters on that page!
