Chapter 1

Measure of Deliberation

Imam sadegh (a.s.) says:

?????? ????? ?????????????? ? ?????????????? ?????????????? ???????????
?????????? ?? ?????????? ??????????

Translation

improving the situation of life and association is possible through using a measure, two third of which is vigilance and one third of which is negligence.(1)

Brief description

no work is started without any study, plan and vigilance, and also no work is accomplished without negligence. it is more clear and better to say if we want to work without investigation and carefulness, we will not succeed. but if we want to linger for all possible probabilities and unpredicted events when performing the works, we would not be able to do a work easily, and have to study for years to do something or to select a friend, partner, spouse and such like. so it is said two third vigilance and one-third negligence.

They are Strict for Body"s Food but...

Imam hassan (a.s.) says:

????????? ?????? ?????????????? ?? ?????????????? ?????? ??
?????????????? ?? ?????????????????? ?????????????? ?????????? ?? ?????????? ?
????????? ?????????? ?? ??????????????

Translation

I wonder those who think about their body"s food, but do not think about their soul"s food. they keep away disturbing food from their belly, but fill up their heart with destructive subjects.(1)

Brief description

As our great imam has said, our people are usually strict for their corporeal food, and do not start eating unless under the light, and do not open their mouth unless with open eyes. they avoid doubtful foods and some observe thousands of sanitary points in feeding body.

But for the spirit"s food, they, with closed eyes and under darkness of unawareness, pour any suspicious mental food into their soul. they simply accept speeches of unsuitable friends, misleading presses and suspicious or poisonous propagation, and this is very surprising.

Chapter 3

Role of Pen

Imam Sadegh (a.s.) says:

?? ?????????? ?????????? ?????????? ?????????????? ????? ?????????????!

Translation

I have not seen any weeper nicely smiling like a pen.(1)

Brief description

Pen divulges the feelings and interprets the wisdom of man.

Pen is founder of civilizations and rotates the wheels of society. pen illustrates the worrying pains of men through its continuous weeping, and also cheer of love, desire for life, mystery of life and thousands of beauties are hidden in the smile showing always within its lips.

But it is regretful that when this pen is in hands of an incompetent person, its tears will change to drops of blood, and its smile is a snicker on the utmost human credits.

Chapter 4

Between Two Great Responsibilities

Imam Sadegh (a.s.) says:

????????????? ?????? ??????????????: ?????? ??? ???? ??????????
?? ?????? ?????? ??? ? ?????? ?????? ?????????? ?? ?????????? ???

Translation

A faithful believer is always anxious for two things; for his past sins that he does not know how god will treat with him, and for his remaining life that he does not know what he will do!(1)

Brief description

The most manifest sign of belief is feeling responsibility, both for what have been already done and for the duties and obligations that should be done.

Those having these two feelings, are always thinking about compensation of past negligence, as well as finding the best possible way for using future opportunities. these thoughts are codes of development and progress of a man or a nation. those neither thinking to the previous actions, nor intending to build the future, are poor and miserable.

Chapter 5

Causes For Destruction of a Society

????????? ?? ?????????? ?????????? ?????????? ?????????? ?????????? ??
????? ?????????? ??????????????????: ?????????????? ? ?????????????????? ?? ??????????
????????????? ? ??????????

Translation

There are four things that when one of them enters into a home, it will be ruined, and divine blessing does not reestablish it: treachery, larceny, drinking, adultery(1)

Brief Description

Not only the homes, but also the societies are not excepted from this rule.

When treachery penetrates into a society, the spirit of confidence is disappeared thereof.

And when larceny, in its different forms, appears therein, peace will not be found anymore.

And when wine drinking becomes popular among people, they will have weak thoughts, disable children and useless youths.

And when they are stained with adultery, the foundation of families will be weakened and their next generation will be mischievous.

Indolence and Poverty

Imam Ali (a.s.) says:

???? ?????????? ?????? ?????????????? ?????????? ?????????? ?
????????????? ?????????? ?????????????? ??????????????

Translation

The day in which everything married with one another, "indolence" and "weakness" mingled with each other, and their child was called "poverty and indigence".(1)

Brief description

Everything is earned through attempt and endeavor. this is a reality that islam has taught us.

Indolence, debility, weakness and escaping from hard events and problems are never compatible with spirit of belief.

They will not have any consequence save poverty in all aspects, including economical, moral and spiritual poverty. while the believers shall be self-sufficient and contented in all aspects.

Chapter 7

Rain of Knowledge on Hearts

He Wise Loghman said:

?? ??????? ???? ?????? ????????? ????????????? ?????????????
????? ????????? ????????? ????????????? ??????????

Translation

My son! god revives the hearts of men with the light of knowledge as he revives dead lands with blessing rains from sky!(1)

Brief Description

The land of man"s heart is like a garden in which all types of seedlings, seeds of flowers, plants and strong trees are dispersed, and if it is irrigated on time, a pleasant and fruitful area will be created.

The only irrigation means for this land is reviving drops of rain of science and knowledge. hence the hearts lacking knowledge are dead, lightless and fruitless.

We shall always and in all conditions, keep alive our souls with the light of knowledge.

Chapter 8

Source of Arrogance

It is narrated from imam sadegh as:

?? ????? ???
??

Translation

No one boasts to the others unless for the inferiority he feels in himself!(1)

Brief description

Nowadays, psychological and psychoanalytic researches have proved that arrogance and boasting to others is nothing else than an inferiority complex. those who are affected to this complex and suffer from it, resort to this wrong way that is magnifying themselves artificially for compensating their deficiencies, and thereby they add to their social inferiority and make themselves more hated.

This psychological point is clearly observed in the miraculous speech narrated from imam sadegh a.s. but the faithful people are always modest before others due to their internal dignity.

Chapter 9

Three Worthy Things Before God

Islam's prophet (s.a.) says:

????? ?????????? ?????????? ?? ?????????????? ????? ??? ??????? ??????
?????????: ?????????? ?????????? ?????????????????? ?? ??????? ??????????
????????????????????? ?? ??????? ?????????? ??????????????????

Translation

There are three things that remove the veils and approach to god's dignity:(1)

The voice of movement of scientists' pen when writing!

The voice of paces of warriors in the cause of religion in the battle field!

And the voice of spinning wheel of chaste women!

Brief Description

What a strange and meaningful interpretation! there are three voices which penetrate into the depth of existence and their tinges go ahead up to the everlasting nature of the world and approach to god's dignity: voice of knowledge and pen, although it may be low and slow, voice of holy war and self-sacrifice, and voice of attempt, endeavor and work although it may be seemingly small.

And actually, these three things, knowledge, holy war, and work constitute the foundation of an honorable human community.

????????? ?????????????? ?? ?????? ?????????????? ?? ?????? ??????????????

Translation

Brief Description

Studying islamic documents clarifies this fact that two decisive signs of a real moslem is being honest and trustworthy, and although islamic services such as prayer, fasting and pilgrimage are considered as high educational programs, but they are not signs of islam and should be completed with honesty and trustworthiness.

Fire of Anger

???? ???? ?????????? ?????????? ???? ?????????????? ?????????? ???
????????? ?????? ??????

Translation

Anger and wrath are the burning flame of fire which is kindled inside man"s heart by satan.(1)

Brief Description

When an angry man performs something or makes a decision, most often he will later repent and feel sorry because burning fire of anger causes negligence from wisdom and intellect, on the whole, and usually nervous system and muscles activate in a direction that compensation of the concerned damages would not be possible even during the life time!

We shall control and extinguish this satanic flame with the utmost precision and speed.

Otherwise, it may ruin and burn the life of others or us.

????? ?????????????? ??????? ???????

Imam Sadegh (a.s.) said:

??? ??????? ??????? ?????????? ?????????? ?????????? ?????????? ??????????

Translation

Prophet (s.a.) said: the worst profession is one which is mingled with usury.

Imam sadegh (a.s.) said: when god wills to perish a nation, usury becomes manifest among them.(1)

Brief description

despite of brisk market of usurers in the present world, and special dependency of this world on usury in different forms, it is evident that usury destroys financial and economical system of societies and results in terrible accumulation of wealth in the hand of limited number of people and institutions, and this unfair distribution of wealth is the source of different social misfortunes and moral corruption.

Chapter 15

Mastership And Captivity

Imam Ali (a.s.) says:

????????? ?????? ??? ???? ???? ???? ???? ???? ???? ???? ????
????????? ?????? ?????? ?????????????? ?????????????? ?? ???? ???? ????
????????? ??????????????

Translation

Do favour with whosoever you will, then you will become his master!

Do not need whosoever you will, then you will become alike to him!

Be in need of whosoever you will, then you will become his captive!

Brief Description

This rule powerfully governs on the social relations of individuals and nations that bountiful hands are always master and receiver hands are anyway inferior. the needy people and nations are actually the slaves who have signed their slavery through need to the others. the real moslem is one who attempts to base his relation with others on mutual, not one-sided assistance. receiving gratuitous support should be limited to weak and feeble persons.

Chapter 16

Hypocrisy and Affectation

Imam Sadegh (a.s.) said:

?? ??????? ??????????? ????? ?? ??????? ?? ?? ?????????? ??
???????????? ??????? ??????

translation

Do not do your good deeds for affectation and showing to the people who have no power on life, neither on death, and can not solve any problem for you.(1)

Brief description

All appearances of the life of those who have got used to affectation and hypocrisy become hollow and empty. they are contented with spiritless appearances from civilization, imaginations and illusion from life, only fame from happiness and prosperity, and a series of ceremonies from religion, and surely the affecting people have no gain save appearances! for this reason, islam strongly criticizes this ugly attribute and says that your destiny in not under control of these people, why do you affect?

Chapter 17

Envy

Imam Sadegh (a.s.) said:

????????? ??????? ????????????? ?????? ??? ???? ???? ?????????????????

Translation

An envious person sustains a loss to himself before causing a loss to whom he envies.(1)

Brief Description

The spirit of envy refers to not tolerating the others having a blessing, and trying to deprive them from that blessing, or causing a loss to them in other ways.

In fact, an envious person always activates as a retardation factor not a developmental factor.

Envy is a big moral disease and in psychological view, the jealous person suffers more loss and also is melted, retarded and humiliated more than others. thus it is better that he try for precedence instead of causing others to be retarded.

Chapter 18

Those Deprived From God's Mercy

Commander of Believers (a.s.) said:

???? ?????? ???? ?? ??????? ?????????????? ?????????????? ???????

Translation

Whoever has available water and land, and still he is poor and needy, he should be deprived from god's mercy!(1)

Brief Description

It is clearly deduced from islamic traditions that moslems throughout the world should use all different resources such as animal husbandry, agriculture, underground resources and mines, profession, industry and commerce for encountering with poverty. when a nation has available even one of these capitals, should use is for fulfillment of its economical requirements. now, you can think about those having access to all of them. otherwise, they will be cursed and deprived from god's mercy and spirit of islam. anyway need to others is condemned in islam's view.

The Worst Friends

Imam Ali (a.s.) says:

????? ?????????? ???? ?????????? ?? ?????????? ?? ?????????? ??????????

Translation

Your worst friends are those who flatter and talk with you glibly and conceal your faults.(1)

Brief Description

Escaping the realities and concealing the truths neither solves any problem, nor is considered as a service to anybody. therefore, those friends who try to conceal the truths instead of corrective and proper criticism, and conceal their friend's faults for his false satisfaction, or show it as a goodness, not only have failed to be faithful in friendship, but also have committed a great treachery. this treachery would be sometimes at the cost of prestige, reputation, honor and prosperity of their friend.

Islam's Prophet (s.a.) says:

????????????? ?????????????? ?????? ????? ??????????????

Translation

Brief Description

We often face with useful works and actions in the milieu of our social life which are left uncompleted. their doers have started them under influence of a sudden motive, but they have lost their enthusiasm very soon and have left them uncompleted.

Islam admires faithful and diligent individuals who accomplish any useful work which they commence.

Chapter 21

Imam Sadegh (a.s.) said:

???? ????? ???? ?????????? ?????????? ???? ?????????? ?????????????? ??
????????? ??????????????

Translation

Allah instructed all prophets to invite people to honesty and trust.(1)

Brief Description

A healthy society is based on different capitals, the most important of which is the capital of public confidence and trust.

Trust on speech, trust on action and the greatest enemy of this valuable capital is lie and treachery.

The societies in which lie and treachery is popular, all people are afraid of each other, all people feel loneliness, all people should bear heavy load of life alone and this is the same society of loneliness.

This is the reason why invitation to honesty and trust has been always included in programs of all divine prophets.

???????? ?????????? ?????????? ??? ?????????????? ?????????? ????
???????????? ?????????????? ?? ????? ?????????????? ??????????

Brief Description

In islam's logic, knowledge is always a tool for practice and improving individual and society's life. otherwise it has no value.

Those who commit a sin unknowingly have less responsibility, but high responsibility shall be on the burden of those who commit a sin knowingly, and those who neglect making aware different levels of society, and whosoever enjoys a small or big share of knowledge, shall bear the same responsibility accordingly.

????????????????

Translation

Avoid borrowing as far as you can, because it causes grief at night and contempt on day.(1)

Brief Description

Garishness of material life and luxury competition in our period has caused people to undertake unreasonable loans and exhausting debts and installments.

Since a debtor is not considered as a free man, we are instructed not to undertake debt unless for a dire necessity.

Imam Sadegh (a.s.) says:

??? ????? ????????? ????????? ????????? ????????????????? ?????????
???????????? ?????????

Translation

If people pay rights of each other, and fulfill requirements of the poor, they will enjoy a good and satisfactory life.(1)

Brief Description

The above tradition, which is concerned with charity tax on property and supplying requirements of the needy of society, warns everybody that paying rights of others is not merely a moral and human matter. rather it is an important social principle that peace and health of society depends on it.

Dangerous reactions caused by unfair and class exploitations which threaten societies today and disturb peace terribly are good proofs for this great islamic command.

As far as world"s people consider right equal to force and powerful people refrain incumbent rights which they are liable to pay, both themselves and all human societies are endangered.

Chapter 25

Key of Misfortunes

Imam Hassan Askari (a.s.) said:

???? ?????? ?????? ?????????? ?????????????? ?? ?????? ??????????????
????????? ?????????????? ?????????????? ?? ?????????????? ?????? ?????? ??????????????

Translation

God has set some locks for evils and maladies, the key of which is wine, and lying is even worse than wine.(1)

Brief Description

The greatest and most effective hindrance for evils and maladies is wisdom and intellect, and this is a strong lock set on them. when lock of "wisdom" is opened by the key of "wine", all evils and obscenities are freed and a drunk person may commit any possible crime, sin and corruption.

But if a drinker commits a sin under dipsomania condition, a liar disturbs knowingly organization of a social life, and kills the spirit of reliance and becomes source of all sins and corruption. so lie is even more dangerous than wine.

????????? ?????????? ?? ?????????????????? ??????????????????

Translation

There are three signs for hypocrites: their tongue is not in concordance with their heart, so is their heart with their deed and their outward with their inward.(1)

Brief Description

Hypocrisy is a great pain originating from low personality and weak will. those who try to show themselves better than what they are actually, their tongue and heart, outward and interior, as well as speech and deed are different. they are weak people who are not so brave to express their real character, neither have sufficient will and decision for correcting themselves. they appear in different faces and are practically treacherous with everybody even themselves. even more dangerous are the societies having a good looking outward and bad interior. their tongue which is the same mass media is in contrast with what is going on in the heart of these societies.

Imam ali (a.s.) said:

????????????? ?????? ??? ???? ?????????? ?????? ??? ??????????

Translation

Take counsel from your predecessors before the posterity take counsel from your life and destiny.(1)

Brief description

The history is full of lessons for taking counsel, full of examples and advices and the end of injustices, oppression, difference and discrepancies, stagnations and petrification, unawareness from the situation of environment and time, and are all reflected in the mirror of history. but imam ali a.s., the super man of humanity history, warns us to take counsel from the situation of life and destiny of predecessors and do not let your ugly and misfortune destiny tbecome an example for the posterity. this roaring sea of time takes away all people with itself. the nations are fortunate who look to their past and draw their prosperity and fortune on the future waves.

Chapter 30

Delight of Forgiveness

Islam's prophet (s.a.) said:

??? ?????????? ????? ????????????? ????????????? ?????????????
???????????????? ?????????????

Translation

When you overcome your enemy, put forgiveness and pardon as the gratitude for this victory.(1)

Brief Description

In islam's view, any favor and grace, without any exception, needs gratitude, and gratitude for power is forgiveness. seeming victories would become rooted only when enemy's heart is purified from the spite, and the main cause of opposition is cut. paying alms of power that is pardon, is the only alternative for this purpose. in this way, the enemy will be touched heartily and previous enemy becomes today's friend, and victory is completed outwardly and inwardly. but in contrary, those who seek vengeance after victory, not only deprive themselves from a great human virtue, but also endanger their victory.

Chapter 31

Asceticism in its Real Sense

Imam Ali (a.s.) said:

???????????? ???? ?????????? ????? ????? ?????????? ??????????
?????????? ?? ????? ?????????? ??????????? ???????????

Translation

The real ascetic in the world is one who illegal property does not defeat his endurance, and legal property do not hinder him from god"s remembrance and duty of thanksgiving.(1)

Brief Description

Some of the uninformed people have altered sense of asceticism in a negative form. they have interpreted asceticism as leaving divine graces and economical facilities and living like the poor.

While this is not true. asceticism in its real sense is what is narrated above from imam ali (a.s.) and could be summarized in two phrases: "endurance and connivance against illegal property" and "not forgetting responsibilities and duties for legal property". should we interpret asceticism so, it whould be a reforming, improving and training factor in the society rather than a negative and detaining factor.

Chapter 32

Coordinate with Martyrs

Imam Ali (a.s.) said:

??? ?????????????? ?????????????? ??? ?????????? ??????? ??????????????
????????? ?????????? ??????? ??????????

Translation

One who struggles in the way of god and is martyred is not in a higher rank than one who can commit a sin but refrains.(1)

Brief description

In view of islam"s logic, the greatest holy strife is striving with rebellious desires specially in contaminated environments. even struggle with enemy would be fruitful when it is made with sincerity, solidarity, pure intention and free from any selfishness and personal interest and this is not possible unless under sufficient moral education and inner warfare.

Thus ali (a.s.) says those who overcome in the battle field with desires, and remain honest in contaminated environments, are not in a lower rank than the martyrs in the way of god. even following this tradition, we read in nahjol balaghah that such people are ranged with heaven angels.

1- Narrated from nahjol balaghah, aphorisms

Chapter 33

The Best People

Imam Ali (a.s.) said:

?????? ??????? ??????? ????????

Translation

The best people are those who judge fairly.(1)

Brief Description

Fair judgement in legal, social and moral concerns is only possible for one who considers his own and the others interest equally and his personal affection and hatred do not prevent him from justice and righteousness.

And this is possible only for those whose existence is lightened with the light of belief, human virtues, and public affections so that powerful waves of selfishness, profit motivation and amour- prope can not deviate the indicator of their mind and conscience. such people deserve to be called "the best people".

Worship of Freeman

????????? ?????????????? ? ?????? ?????????? ?????? ?????????? ??????????
????????? ?????????? ?????????????? ?? ?????? ?????????? ?????????? ??????????
????? ?????????? ?????????? ??????????????.

Translation

Worshippers are three groups: those who worship allah for the fear from hell; this is the worship of slaves.

Those who worship allah for his reward; this is the worship of mercenaries.

And those who worship allah for his love and affection; this is the worship of freemen.(1)

Brief Description

Although the promises to divine reward and punishment are all true, his reward is very valuable and his chastisement is very painful, but those high minded freemen who do not see anything save god, and do not seek anything save god, and the measure of their heart is full of love and kindness, they are looking for something higher than reward and punishment, and their motive for observing god"s command, is only a love mingled with his cognition and knowing.

Chapter 35

What Breaks Man's Back

Imam bagher (a.s.) said:

????? ?????????? ??????????: ?????? ?????????????? ?????????? ??
????????? ?????????? ?? ?????????? ??????????

Translation

Three things demolish man: one who magnifies his good deed, and one who forgets his sins, and one who is opinionated.(1)

Brief Description

Those who magnify their deeds, surely are satisfied with that, and this attitude hinders them from progress and development.

And those who forget their sins, everyday are stained with a new sin instead of compensating their previous sins and will fall down suddenly.

And those who rely only on their own opinion, are deprived from the support of public thoughts and abundant minds and knowledge of others. they are repeatedly involved in mistakes, and finally their back will break under the mass of problems.

Be Clean

Islam's prophet (s.a.) said:

?????????????? ????? ?????? ?????????? ?????????????? ??? ??????
????????????? ?????????? ?????????????????? ????? ?????????????? ??????????.

Translation

Your mouth is one of your god's ways. the most favorite mouth before allah is the most fragrant one. so keep your mouth fragrant as much as you can.(1)

Brief Description

This tradition which is narrated in vasa-el-shia book in respect to rules of tooth brushing has two outward and inward meanings. its outward indicates that since man says god's remembrance, recites divine verses and worships him by his mouth, so he shall keep it clean and fragrant.

And its inward meaning signifies that mouth which is one of the ways of relation with divine paths and his servants, is more favorite before god when it becomes fragrant with good, clean and kind speeches and is free from any bad speech, insult, lie and harshness.

Chapter 37

End of Ignorance

Ninth Imam, Imam Javad (a.s.) says:

???? ?????? ???? ?????? ?????? ?????????? ?????????? ??????
??????????

Translation

One who acts with ignorance and information will be more corrupter rather than reformer.(1)

Brief Description

Loss of ignorance is not merely limited to this part that man can not reach the real values of life.

Rather, corruption and destruction caused by mistakes is a great danger waiting for those who act without knowledge.

It is herein that an ignorant person intends to do good for his child, but he leads him to misfortune; intends to serve islam, but disgraces religion; intends to create peace among people, but aggravates dispute and hypocrisy; and in summary his corruption and destruction in all aspects would be more than his reform.

Chapter 38

Foundations of Guidance

Imam Javad (a.s.) says:

????????????? ?????????? ??? ?????? ???????: ?????? ?????? ?????? ??
????????? ?????? ?????????????? ?? ?????????? ?????????? ??????????????

Translation

The believers require three qualities: divine success, a preacher from the heart and soul, and acceptance from advisers.(1)

Brief Description

In this path, with a lot of acclivity and declivity which man should go through it along his life for being saved from innumerable dangers which threaten his prosperity and also becoming a useful and effective individual in the society, first he needs a spiritual and immaterial relation with god being supported by his pure essence, and then an aware and informed conscience advising him inwardly, and then hearing ears using the thoughts, guidance, advices and consultation of others.

Chapter 39

Mourning is One of the Deeds of Age of Ignorance

Imam Bagher (a.s.) says one of the short speeches of the prophet (s.a.), which no one had mentioned before him:

?????????????? ???? ?????? ??????????????????

Translation

Mourning is one of the deeds of age of ignorance (one shall not complain for the difficulties, rather he shall try for solving them).(1)

Brief Description

This short and meaningful tradition has an outward and inward sense.

Its outward refers to the irrelevant actions being popular at the age of ignorance. when somebody died, mourner women were invited to lament on his death by reciting their special songs and deceitful and false poems. and the other meaning, which imam bagher (a.s.) may refer to it, is that mourning and complaining for hard and difficult events and problems of personal and social life is vain and useless and causes waste of powers and facilities. one shall solve them and seek for a remedy by the strength of intellect and thinking as well as continuous effort and tolerance.

Everyday Examine Yourself

Imam Kazem (a.s.) said:

Translation

One who does not perform self-examination everyday, has no relation with us.(1)

Brief Description

Preventing loss and attempting for more profit, in any small or big institution in this world, is not possible without continuous inspection, examination and balance sheet. and it is really surprising that people are so careful in calculation of their material capitals, and or are so sensible to increase and decrease of few grams of their weight, but sometimes they even do not investigate their human, moral and immaterial accounts even once during their life. what a terrible negligence!

But a responsible and vigilant moslem is one who, as per speech of imam kazem (a.s.) in above tradition, examines his account everyday without exception. if he has done a good deed, he tries to continue it, and if he has done an evil, he repents for it.

Translation

The believers are stronger than iron parts because when iron is exposed to fire, it changes, but if the believers are killed and then revived and again killed, there would be no change in their mentalities.(1)

Brief Description

Life is a series of problems and complicated matters. weak people surrender to them very soon, and escape from the field, but those who are strong under the grace of belief, never submit to the numerous problems.

They know that there are always hindrances in observing god"s command, preventing sin, and achieving honors and credits, and for attainment to these honors, self-control, self-sacrifice and resistance against rebellious desires and other problems are required. so they do not stop endeavor and attempt in the path of religion, and do not afraid of the events.

Reality of Unity and Divine Justice

Imam Ali (a.s.) says:

Translation

Reality of unity of god indicates that one shall not define his essence to his imaginations, and belief in his justice infers that one shall not accuse him in any work.(1)

Brief Description

To the same extent that the principle of god's existence is clear and manifest for us and any particle from particles of this world is a reason for his dignity, power, knowledge and ability, reality of his essence is hidden for us. because he is an infinite existence and beyond our understanding. so we shall consider his essence beyond whatsoever we imagine and this is the reality of unity.

On the other hand, some events occur in the world that sometimes their mystery is not known for us. attention to god's justice says to us that all of these events are reasonable, and any suspicion in this concern is not in conformity with his justice and wisdom.

- 2- The do not have a luxurious and costly life and do not commit offences for providing its furnitures.

World is Not the Final Purpose, Rather it is a Means

Imam Ali (a.s.) says:

Translation

World is created for another purpose, not for itself.(1)

Brief Description

Most often interpretation of verses and speeches concerned with commendation of world, material tools of this world, introducing it as a house of commerce or farm of god"s saints in one hand, with the verses and speeches blaming it and calling it dangerous, deceptive and source of conceit in the other hand is difficult for the people.

But above tradition interprets them clearly, indicating that when world and its material tools are used as a means for attainment to human development and expansion of justice and prosperity of all men, it would be valuable and nice, but when it is considered as a final purpose and essentially favorite, and causes rebellion, conceit and obstinacy, it would be hateful and dangerous.

Translation

(Be aware) there is not any price for you save everlasting prosperity and paradise, so do not exchange it for any other price.(1)

Brief Description

Usually when somebody is asked about the price of capital of his existence, he can not assume any price for it.

However, he exchanges this great capital gradually and day by day for a little price, and sometimes at the end of his life, he finds that he has exchanged this great capital with a house or a car or a country villa, and still he will leave them soon.

Ali (a.s.) says that none of the material capitals of this world could be exchanged with the capital of your life. the only thing which could be exchanged with it, is god"s satisfaction, human and spiritual development and also an eternal and everlasting prosperity. it is worthy to endeavor, attempt and sacrifice for this purpose as much as you can.

Brief description

How eloquent and interesting is description of imam ali (a.s.) regarding truth and falsehood in the above short sentence! usually truth has a harsh appearance and occasionally a bitter taste but is very pleasant. it is easily absorbed by the body of community and society is strengthened thereby.

But falsehood is very easy and sometimes very delicious and sweet, but its effect is fatal like a delicious but poisonous food which its destructive effect on the heart, stomach, and intestines becomes manifest when it is swallowed. falsehood too like this food destroys different organs of society.

Those who blame and find faults with others and damage reputation and prestige of people through disclosing their hidden faults, that most people are involved in one of these faults, and sate the fire of their envy and malice in this way, are weak and mean persons who even do not show courage in their baseless and unfair challenge, and only can stab in the back.

It is mentioned in the tradition that if one who slanders, repents, he shall be the last one entering paradise. otherwise, he would be the first one entering the hell.

Those who assume the problems insoluble and whenever they face with a complex problem call it an incurable disease, neglect this fact that principally there is not any incurable disease.

When world's people use his favors for conceit, corruption, destruction and injustice, the same favors are changed to the cause of their misfortune. Their favors are taken back and replaced with calamity. their industries and technology turn destructive, and their society turns to the source of discord and discomfort, and even the speed devices turn to the cause of their retardation, because they have misused the graces.

Those who are chaste, their heart is pure and have a pure life and mind, and leave the world in thcondition, surely will be ranged with martyrs because martyrdom is not limited to being killed in the battle field. there are also other traditions mentioned in the sources of the prophet's house which confirm this truth.

Brief Description

When man's affection to one goal is in a love stage, specially an excessive love, all of his feelings are concentrated in that point, and thus any inconvenience is tolerable for him. not only tolerable, but also he does not feel uneasiness. Wherein egyptian women seeing joseph's face, based on a figurative transient love, lost their awareness and cut their fingers instead of fruits, it is not surprising that restless lovers in the path of god, and self-sacrificing persons in the path of truth and virtue do not feel pain and toil of heavy strokes of enemy. First, one shall be a lover, then self- sacrifice and tolerance would be the inevitable result.

Brief Description

The wise are positive and truth seeking individuals. So they always look for their high objectives in the external existence, and since attainment to them is not possible without endeavor and attempt, they focus their effort on their action, while unaware fools are drowned in a sea of wishes and imaginations, and seek for what they have lost in the world of imaginations, and since access to fancies does not require work and attempt, negative tendencies are manifested in all aspects of their life. They are always contented with awaiting for subjective victories in tomorrow which has not come yet and may never come, and so they do not have any support in life save wishes.

Brief Description

Religion, particularly a religion like islam, preserves rights of society's people and supports their real and fair interests. but sometimes religion is a barrier for personal and private interests of individuals. Herein, real religious people are distinguished from those who only claim for religion.

Most people look everything from the view of their own interest and advocate religion when it preserves their personal rights, but when religion is separated from their private interests, they leave it totally and become the evidence of `we believe in some and disbelieve in the others". But real religious people are those who are faithful in religion in any situation, and religion and belief determine the main lines of their life, not personal interests.

The higher degree of belief results in more and deeper feeling for this control so that man finds himself constantly in his presence. Those sins which man fears of them and assumes them great are not so dangerous because he is always careful for not committing them. but when he assumes a sin little and does not afraid from it, he is easily exposed to it, and repeating it continuously, as one of the factors changing minor sins to major, keeps him away from happiness and prosperity for ever. Intellect and wisdom necessitate for a man to avoid undue hastiness and precipitance while using the opportunities because in this condition, he often fails to study correctly all aspects and judge truly, and soon repents of the consequences of his verdant decisions and unsophisticated actions.

Sometimes, man dissipates all of his speeches by one hastiness in speech, and loses his old intimate friends and penitence is sealed on his heart.

A sinner is judged in the court of conscience and suffers painful spiritual punishments and its reaction is manifested in body and soul and even in the form of deaths. Declare to our shiites that no one receives divine favors and bounties unless through action.(1)

Brief Description

This speech of imam bagher (a.s.) is a reply to those who suppose that they could reach the highest position before god only by adopting the name of shiism and expressing love to the household of prophet (s.a.), while we know that islam is based on action and real shiites are those whose practical program is an extraction from practical programs of imam ali (a.s.) and his companions, and basically shiite is derived from the word `moshaieat" meaning following somebody. thus those are real shiite of household of prophet (s.a.) who follow them.

With Whom We Shall Consult?

Imam Ali (a.s.) says:

????????????? ???? ?????????????? ?????????? ?????????? ????
????????????? ?? ?????????? ?????????? ?? ?????????????? ?????????????? ??
????????????? ?? ?? ?????????? ?????????????? ?????? ?????????? ??????????????

Translation

Do not consult with miser people because they prevent you from service to god"s people, and frighten you from poverty, and do not consult with timid people, because they weaken your will for performing important works and also do not consult with greedy persons, because they beautify injustice to you.(1)

Brief description

Consultation is one of the important islamic instructions, but as consultation with eligible persons helps in improvement of correct programs, consultation with those who have clear weak points is harmful and gives an adverse result. thus imam (a.s.) recommends strictly to avoid choosing three groups as consultant specially in important social affairs.

Those who are miser, timid and greedy. one of them prevents man from munificence of divine graces, and the other weakens his will, and the third encourages man to violate rights of others for more greed.

Brief Description

Imam ali (a.s.) has actually referred to the greatest material and immaterial favors. physical health is not only the greatest divine favor, but also it is the source of all activities, attempts and blessings and among immaterial favors nothing is higher and superior than light of belief and faith which is the most illuminating light for the path of life and most effective remedy for treatment of diseases of ignorance, humbleness, inferiority and taint and tranquilizer of heart and soul!

Translation

Imam sadegh (a.s.) was asked: how the people enjoy existence of an invisible and hidden imam?
Imam said: as they enjoy sunlight behind the clouds.(1)

Brief Description

Sunlight is the source of all vital movements on the earth and no living creature is able to continue its life without it, and the same is the light of existence of divine imam and leaders in man's spiritual and human life.

Sunlight behind cloud, just like a light behind a translucent glass, sends out a considerable part of its light and removes the darkness of night and affects on the living plants and creatures. spiritual and immaterial blessings of imam (a.s.) shine human world even behind absence curtain, but since each building uses sunlight as much as its openings, people's share from the light of leadership is in proportion with the method and degree of their relation and connection with him.

Imam Javad (a.s.) says:

???? ??????? ????????????? ??????? ??????? ????????????

Translation

One who listens to an orator, has worshiped him. thus if the orator talks from god side, he has worshipped god, and if he talks from the tongue of iblis, he has worshipped iblis.(1)

Brief Description

Utterance, whatsoever and from whoever it may be, has an effect, and listening to the utterances is usually accompanied with an impression in man"s heart, and since the purposes of orators are different, some of them talk about the truth and some about the falsehood, submission to each of these two groups is a kind of worship because the essence of worship is nothing else than submission.

Therefore, those who listen to truthful utterances are truth worshippers and those who listen to false utterances are false worshippers. so one should avoid issuing the circles of false speakers and should not allow their dark utterances to reach depths of their souls through the channel of ear.

Brief Description

Feast and happiness after one month of fasting in the blessed month of ramadan is actually the feast of overcoming sensual desires, and feast of obedience of god"s command. thus this day is only the feast of those who have been victorious in fulfilling this great divine duty and understanding its final philosophy, but for those ashamed people who have not respected this great month and its educational program, it is nothing else than the day of mourning and disgrace.

Translation

God does not consider the faces and properties, rather he considered your hearts and actions.(1)

Brief Description

While the criterion for evaluating dignity of individuals in the most societies is material capitals and physical privileges, islam explicitly says: selecting these affairs as the criteria for evaluating dignity is an improper selection. Rather, what is considered by god, and weights in the scale of truth is thought and action, a pure thought as a source of pure actions. and in the divine court only the owners of these two capitals are victorious.

Brief Description

If we consider the causes of increase in transgressions, larcenies, briberies, thefts, short weighing in different forms as well as irregular greedy and plundering attempts of most people, we find that above two factors have a deep effect on occurrence of these events. Some people, having everything, commit offences only for the fear of poverty and as they say for securing the future, and some others sacrifice the peace of their life and soul for acquiring fanciful honors, while they would live peacefully if they leave these two ugly taints.

Brief description

Everybody is apt to mistake, but believers have one difference with the hypocrites herein. the believers try to sin less so that they would not have to apologize, because they know that apology does not acquit anyone. But the hypocrites do not care for sin and offence and repeatedly apologize, and this is one of the signs of hypocrites outwardly showing repentance due to apology and inwardly indicating non repentance due to repetition of sin.

Translation

Whenever a man gains a property in an illegitimate way, neither greater and lessor pilgrimage with that property is accepted, nor the union of kindred.(1)

Brief Description

Sacred aim by itself is not adequate in islam"s logic. Rather, sacred means of gaining is also necessary. those who are contented for doing good deeds, but do not think about the means by which they perform good deed, neglect this reality that none of them is accepted by god, unless the means are pure and sacred. Because god accepts only from the virtuous.

The self-conceited people never look at their own faults and consider themselves responsible, pure, faultless, serious, active, nice and important in the society, and for this reason, they have a lot of unreasonable expectations from people, and this causes people's flood of anger to fall down them.

Brief Description

Man's power is not unlimited and everlasting. therefore, when his energies are used in one direction, there will be deficiency in somewhere else. So it is not surprising if talkative people are inexperienced and not active. islam's prophet (s.a.) who advocates positive effect in everywhere and for everything, considers attempt for action as the sign of believers instead of speech, while he considers the opposite attribute for the hypocrites.

It is interesting that all above attributes are concerned with relation and connection of men with each other and social matters. Brief Description

Imam (a.s.) gave the above reply to one who had asked why quran does not get old by repeated study, recitation and publication? in this saying, imam has a meaningful refer to this reality that quran is not created by the material world and man"s transient and variable thoughts. so dust of oldness does not cover it by lapse of time. Rather, it has originated from the science and knowledge of the great god, whose existence is pre-eternal and everlasting. Brief Description

Undoubtedly, inward enemies are more dangerous than outward enemies. therefore, obstinate desires which affect man inwardly, are considered as the most dangerous enemy for man. sensuality blinds and deafens man"s eye and ear. It removes the light of wisdom, alternates the face of truths and finally leads him to the precipice of corruption.

As if they would be included among the relatives of imams in this way, they would have a special relationship with god too, and everything could be well arranged through recommendation and mediation. Any nation has a truthful and distinguisher man, and the truthful and distinguisher man of my nation is ali ebne abitaleb.(1)

Brief Description

For completion of program of a genuine religion, an everlasting religion like islam, there should be someone familiar with all aspects and details of that religion and able to distinguish between truth and false (deserving the name of distinguisher) after demise of prophet (s.a.), the most part of whose mission was passed while being engaged in different conflicts with obstinate enemies. He should be also very truthful, honest, eloquent and frank so that he can remove any ambiguity for people after demise of first leader. This rank, as per above explicit expression, was allocated to imam ali (a.s.).

Translation

Ali (a.s.) collected wood (for his home) from the desert and brouwater and made cleaning, and fatima (a.s.) made flour, and kneaded it and baked bread.(1)

Brief Description

A world of magnificence of spirit and high human rank is hidden in this short tradition in respect to the great leader of islam, imam ali (a.s.) and model woman, fatima (a.s.) their life was very simple and freestanding but full of sincerity, purity, cooperation and assistance. Work was not a dishonor, and cooperation and understanding was considered as a basic privilege, and non- adornment was a big privilege. These affairs are not found any more in the homes and consequently tranquility and peace are disappeared.

One Hour of Justice

The Prophet (s.a.) said:

?????? ?????? ??????? ?????? ?????????? ??????!

Translation

One hour of justice is better than one year of worship.(1)

Brief Description

Worship is the same relation of creature with creator and `possible" with `necessary" and paying attention to this relation and connection. Those worships are important educational lessons which have an effective role on correcting man"s spirit and mind. however, we read in the above tradition, one hour of justice is better and higher than one year of (recommended) worship. And somewhere else we read one hour of thinking and meditation is higher than one night (or one year) of worship. And these expressions show the critical importance of justice and meditation, both having a common origin. Wherever there is not justice, there is not thinking, meditation and wisdom.

Translation

The real physician is god, and the things useful for you may be harmful for others.(1)

Brief Description

The events happening in man"s life sometimes are due to his wrong policy, selection or will and there are a lot of painful events like these. But sometimes seemingly unpleasant events occur due to none of the above factors, actually being the drugs administered by real physician who is god for his servants. Although these drugs are bitter, but they are sometimes an awakening bell, or a means of attention to man"s weakness and debility and or removal of his conceit.

Successors of Prophet

The prophet (s.a.) said:

?? ??????? ????? ????????? ?????????? ?????????? ?????? ?????? ???????
???????????? ????? ??????????

Translation

This religion will be always honorable and protected from the enemies until twelve persons shall lead it, all of whom belong to ghoreish.(1)

Brief Description

Clear and explicit traditions are narrated in respect to twelve successors of prophet (s.a.) in the most creditable books of the sunnites including `sahih bokhari", `sahih moslem". `sahih termazi", `sahih abou dawood", `masoud ahmad" and other numerous books, and total number of these traditions narrated by shiites and sunnites are estimated to be 271 traditions! and it is interesting that above traditions are not compatible with none of those leading moslems or governed over them after prophet (s.a.) save shiite twelve imams because neither first four caliphs, not umayyid or abbasid caliphs are the sense of this tradition. so sunnite scholars have gotten into difficulty in interpretation of this valid tradition but its interpretation is completely clear in the shiism of prophet"s household.

Sinful Feast

Imam Sadegh (a.s.) said:

Translation

It is not just that believers participate in a feast wherein sin is performed and they can not change it.(1)

Brief Description

Participation in a sinful feast is a sin, although one do not commit the sin and do not cooperate with participants of the feast. Because participation in such a feast is practically considered as signing the sin, unless one's end is to change the situation and perform the critical duty of bid to goodness and forbid of badness. Furthermore, observing sinful scenes, while being indifferent towards them, darkens the spirit and decreases the obscenity of sin and accustoms man to sin.

Translation

Cultivate and plant tree. by god, people have not done any action more lawful and pure than this.(1)

Brief Description

Man's life is based on productive works, including agriculture, and different businesses, even most of industries would not be meaningful without agriculture because they gain their raw materials from it. in addition, defraudation and trickery is not possible in agriculture as the other things. Because its basis is natural factors and means and its profits is merely the result of sincere efforts of men. On this account, cultivation and planting tree is called the most pure and pleasant work in the above tradition.

Length and Shortness of Life

Imam Ali (a.s.) says:

Translation

Early death of men due to sin is more than natural death, and long life of individuals due to their righteousness is more than long life for natural life.(1)

Brief description

Undoubtedly, a lot of sins and bad attributes shorten life directly (such as drinking, gambling, jealousy, envy and vindictiveness) and also a lot of them shorten it indirectly through affecting on the social disorders and taking away public security and occurrence of wars (such as usury, injustice and oppression). On the other hand, righteousness could be the cause of a long life due to its deep effect on the peace of spirit and conscience. therefore, sin, disregarding its harmful spiritual effects, is very effective on shortening man"s life, as righteousness is fully effective in long life in addition to all of its other effects.

Brief Description

Some people escape and scare from the words, the words of poverty, hypocrisy, satan and such like, while they are practically drowned in them. we know some rich men who live poorly for the fear of poverty. We know hypocrites who repeatedly curse the hypocrites, but their life is full of hypocrisy. we know devilish people who express publicly "i take refuge in god from satan, the outcast" by their tongue, but they are his friends inwardly and lay stress on their devilish programs. they are enemy with words not sense and reality.

Translation

Salam (salutation) has 70 rewards, 69 parts of which are for one who salutes and one part of which is for one who returns the salutation.(1)

Brief Description

Among the salutations of various nations, `salam", the islamic salutation and greeting, has a special luminosity, because it indicates both welcoming and peace, pleasure and friendship, and also wish for peace from god for the other party. For this reason, salutation of the people of paradise is salam, and angels of mercy receive the virtuous and good-doers with salam. but unfortunately, some moslems refuse this islamic rule supposing that not saluting shows their high dignity and saluting reduces their rank and make themselves deprived from the great virtue mentioned in above tradition.

Brief Description

One of the great faults of man is non conformity of his belief and action. he believes in something, but no trace of that belief is practically observed in his action. he believes in god, but rejects constant observation on his deeds in practice. he believes in the great court of god, but has actually no normal readiness for it. he believes in prophet (s.a.) as the greatest prophet and imam ali (a.s.) as the highest leader, but he does not have any similarity with them in his action. that is to say his belief is in one direction, and his action is in the other.

Translation

God has chastisements (for sins and disobedience) in the spirit and body: indigence in livelihood, indolence in worship, but god has not punished any servant with something worse than hard- heartedness.(1)

Brief Description

Divine chastisements are indeed reflections of man's actions as well as conclusions and results of his sins. Sometimes these bad ends appear as an unpleasant situation in material life and sometimes as deprivation from cheerfulness in worship and invocation with deity. but the most important and dangerous one is manifestation of crimes and man's ugly deeds in hard-heartedness and cruelty, evacuating man's heart from humanitarian feelings and any philanthropy and sympathy, and this could be the source of a lot of other sins and crimes.

Brief Description

What a strange phrase, and what a clear interpretation of man"s unawareness about the end of life and death. Man may hesitate in anything and do not believe in any religion, but he do not hesitate that anyway the life will end and should be ended. but he appears so unaware in this concern as if there would not be any death and end for life! thus, he does not pre-prepare himself for receiving it with faith, good deed, purity and virtue. however, let us be realistic and pure in any condition and age so that we would not be regretful and ashamed whenever our life ends.

Brief Description

First step in acquiring knowledge is humility, humility towards truth, humility towards teacher, and anyone who knows more than us, and could teach us something. for this reason, ignorance and arrogance are usually accompanied with each other. arrogant do not accept to confess to ignorance, and even if a reality is not in concordance with their spirit of their pride and arrogance, not only they deny it, but also oppose it. They do not accept the truth from their coordinates or their subjects and often remain in compound ignorance.

Brief Description

In fact, one of the most important factors preventing corruption and malevolence is dignity or at least feeling dignity. dignified people or those who assume a dignity for themselves, although they may not be ranged dignified in public view, avoid most of evils and bad deeds for preserving their own position. but when they feel that they do not have any reputation, respect and dignity, they would heed nothing. so imam says beware of such people! and on this account, one of the important points in educating children or men in general is creaa dignity in them so that they feel to possess a special dignity. On the contrary, lowering the dignity of people has a very bad effect in the educational aspect.

The strongest warrior for the faith among people is one who gives up the sins.(1)

Brief Description

We know that struggle with rebellious desires and sensual desires as the main cause of sins is called the "greater warfare" in islam, being more important and valuable than struggle with enemies. because this warfare is the means of purification of soul and there would not be any victory because defeats are often the result of weak points. In the societies stained with sin, the value of this warfare is more obvious and its importance in improvement of social objectives is more clear. Victories of prophet (s.a.) in medina was actually the direct conclusion of purification of souls, and spiritual struggles of his companions in mecca.

These stars in the heaven are cities like the cities of earth, each city of them is connected (with the other cities) through a column of light.(1)

Brief Description

It is very selfish to suppose that our earth is the only inhabitable sphere and millions of celestial spheres are all unutilized, silent and without any inhabitant. Today, the scientists have made calculations on the existence of life conditions in the celestial spheres and are sure that millions or hundred millions of these spheres have some inhabitants, and most probably many of them may enjoy more developed civilizations and several times superior than civilization of earth inhabitants because life has been started thereon thousands or millions of years before the earth. Brief Description

Nowadays, it has been proved that celestial spheres are fixed in their circuits thanks to the balance in gravity and repulsive forces. gravity attracts them towards each other like a great chain, and repulsive force escapes them from each other and their complete balance has caused to revolve in their circuit without any change and lean, and suspend in the immense space on this invisible pillar. Islamic leaders have mentioned this reality 14 centuries ago.

Brief Description

We can not say that this strange prediction has been fully proved nowadays or it is concerned with future, but surely we are witnessing some examples of it here and there and it is surprising that such moslems complain from retardation as if they suppose that only `the name of islam" and `drawings of quran" is sufficient for them. Translation

Tongue is the criterion for assessment of insolence or ignorance and scale of intellect and wisdom.(1)

Brief description

The most important window of man's soul and key of his personality, and best means for assessment of degree of intellect of each man is his tongue. the tongue which unveils the curtains through a simple and seemingly unimportant rotation and reveals the angles of man's soul. On this account, most of islamic instructions are focused on correction of tongue and warnings and notices are repeatedly made in the speeches of our great leaders and obviously complete correction of tongue is not possible without correction of soul and mind, but we can overcome a lot of painful consequences of inappropriate movements of tongue through silence and self- control.

Translation

One who is grateful for a favor, his prosperity for his gratefulness is more than his prosperity for the favor, because favors are the means of life in this world and gratitude is the capital of this world and the other world.(1)

Brief Description

Considering this fact that gratitude is not merely appreciation by tongue, rather it is practical appreciation and also using each favor in its proper place, it is clarified that gratitude for a favor results in blessings and properties so that favor itself is very insignificant comparing with it. Using the favors for god"s satisfaction and his servants" content is a capital both for honor of this world and also eternal prosperity of the other world, while a favor itself may be only a material blessing. so gratitude is higher and more valuable than the favor itself.

It is clearly inferred from the above sentence that the inevitable duty of followers of the prophet's household is to revive their programs in their meetings, knowing their doctrine, perceiving the spirit of their speeches, and becoming familiar with their instructions and that is to say their meeting should be a meeting of correction and readiness for life, not the meeting of amusement, asking requirements and thinking about personal troubles and desires and disregarding human, social and belief concerns. Brief Description

Trust has different forms in islam, including faithfulness in keeping people's secrets. this is considered so important in islam's view that disclosing people's secret is introduced as one of the capital sins. moreover, for proving something to be a secret, it is not necessary for the speaker to ask and request and emphasize on being a secret and keeping it. Rather, the least sign is sufficient for understanding this reality. If somebody looks about himself and examines for presence of another person is adequate for keeping his speeches as the secrets of a moslem brother.

Islam says that all men are born with a pure primordial nature, nature of belief and love to goodness. taints and sins may affect gradually on man"s spirit and soul and change it and turn it totally. however, until man is interested in goodness and hates badness, the spirit of belief and first pure nature still exist in him. Brief Description

If we reflect on the wide sense of "not any movement", we will become familiar with the extent of islamic programs and will find that islam is not merely a series of worships and invocations and or belief missing practical programs. Rather it has a program for personal life and all social concerns as well as human attempts and endeavors, first article of which is intelligence and knowledge of realities. it considers all movements and attempts fruitless and at least with a little effect without adequate knowledge and correct guidance.

Herein, the adults usually are more experienced and have deeper insight and have been the source of numerous services during their life if they had been conscientious, and all calculations indicate that they should be respected and youths and adolescents should consider their reverence. Those who amass wealth madly, and do not care for its ways in view of legitimate, illegitimate, injustice and justice, do never think that they can neither accompany the great wealths with themselves, nor eat all of them. Be aware! knowledge not furnished with thinking has no profit!(1)

Be aware! recitation of quran not accompanied with reflection is useless!

Be aware! worship lacking meditation has no effect!

Brief Description

Filling the brain with scientific formulas, logical rules and philosophical principles, and any knowledge has a little effect as long as it is not in concordance with proper reflection, clear world-view and familiarity with fundamentals of man's life.

As reciting holy verses of quran has a little effect when it is not accompanied with meditation and thinking about them, the worships missing the light of thinking and wisdom are like a spiritless body, and lose the high educational effects.

Of which a book of life lesson is hidden and can solve the problems of today's man in different issues.

This book is a selection of these traditions with a clear translation and brief description. First one tradition was stipulated weekly at the beginning of interpretation discussion meetings held on fridays in the meetings of "assembly of religion and science" in imam hossein mosque (tehran), and everybody observed it throughout the week as a lesson, and a lot of youths, boys and girls, memorized them.

Very good reception of these traditions caused to print and publish them separately. this small book could be a sample of islam's instructions for all of those who want to know islam better through a short study. But what seems more important is practicing these programs in the life and acting to them. Thus, let us to ask success from god first for understanding and comprehending these traditions and then for observing them.
